~JUST A NOTE FROM THE KCN & WINCHESTER BAY MERCHANTS ASSOCIATION~

We hope you enjoy this weekend as much as we have enjoyed getting it ready for you. Every year we have had questions about the "Vehicles Class", People put their own vehicles in the class, and even though we try to check as much as possible, we hope you will help us by using the honor system. We also encourage you to arrive early as we can't guarantee spots for groups. Please do not place chairs in spots you want to save, it is on a first come individual basis! Be safe, be fair, and be friendly. Have a great time, Thanks for coming.
